Need help
planning a
healthy
canteen
menu?

The Star Choice™ Buyer's Guide outlines the producers and distributors of registered food products which meet the strict nutrient criteria implemented in Western Australian School Canteens. They are conveniently categorised according to The Traffic Light System as **Green** or **Amber**. No **Red** products appear in the Buyer's Guide. The Buyer's Guide is updated bi-annually and is very useful to clubs when creating a menu.
